

Solutions

Safety/Medical Screening

All employees are thoroughly screened. Criminal and child abuse clearances are required for all employees.

All employees must pass an annual physical including, TB/Hep and other communicable diseases.

Bonded and Insured

All employees are bonded and insured which provides our consumers/clients a peace of mind that a trustworthy Aide/Worker will be in the home of a loved one.

elite People, Inc. is dedicated to provide the best care possible to seniors as well as others who need in home care to promote independence and health maintenance.

We strive to provide consumers we serve with quality care, dignity, and the respect they deserve. We believe that as we go forth to assist our consumers in maintaining their independence in the comfort of their own homes or familiar surroundings, we contribute to a healthier way of living both physically and emotionally.

elite People, Inc. prohibits discrimination on the basis of race, creed, color, national origin, age, religion, sexual orientation or disability.

elite People, Inc. is an equal opportunity employer.

"We intend to be a staffing company that provides quality and premier customer service to each client at all times."

When working in conjunction with the family, we develop an individualized program to manage the daily needs of our consumers to the best possible home care Aide/Worker. After the Aide/Worker has been placed, periodic telephone check-ins or home visits are conducted to ensure our consumer is receiving the best possible care.

If your needs are sudden, we make every effort to ensure that an aide is there promptly. We provide mornings, mid-day, evenings, weekends and holiday services.

Some of the services provided include:

- Personal Care
- Attendant Care
- Respite Care
- Light Housekeeping
- Light Meal Preparation
- Companionship
- Shopping & Errands
- Other personalized services as requested
